PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

## Kraemer Bridge Is Found; Another Is Being Sought

Found: A big bridge that had been missing for three years. Announcing that Wednesday, Vice Chairman Paul Rardin of the county commission said the find had set in motion an airplane search of Lake Okechobee for another bridge lost for one year Rardin explained:

Both bridges had connected Kraemer island in Lake Okechobee with the mainland at Chosen near Belle Glade.

Bridge No. 1, vanished in the 1947 hurricane. Hunts failed to reveal a trace of it until a few days ago.

Then Fritz Stein, veteran Everglades resident, and helpers found about 12 spans of it partly submerged and hidden under willows half a mile from its original site. The timbers representing about two thirds of the bridge, are worth at least \$2,000 as lumber. They're being salvaged for use in repairing other county bridges. A crew under J. K. Baker, county road superintendent in the Glades is doing that.

The span was replaced after the 1947 storm. But the 1949 hurricane washed Bridge No. 2 away. Bridge No. 2 never was found. It was replaced with a third bridge and a rock road built from its end to connect with the state highway at Chosen, three miles away.

Now amateur airmen and crop dusting aviators are co-operating with the county in a renewed search for Bridge No. 2.

## County Adopts New Operating Budget For Year 1950-51

Adoption of a \$2,691,263 operating budget for Palm Beach County for the 1950-51 fiscal year, was approved Monday by the county commission who turned down a request from County Registrar DeWitt Upthegrove for more funds to operate his office.

Approval of the budget was moved by Commissioner John Prince and seconded by Vice Chairman Paul Rardin. It was approved unanimously.

The request from Upthegrove for more funds and a letter from Mrs. Juanita Harper, suggesting a cut in the amount budgeted for operation of veteran services offices in the county, were the only two complaints considered by the commission.

Mrs. Harper's letter, which suggested that assistance to vets be conducted from a central office instead of several offices in the county was referred to the County Veterans Service Committee, the group who administer funds budgeted for vet aid. The amount this year \$16,500, a \$3,500 decrease from last year.

Insistence by Upthegrove, supervisor of registration, that he be given more money to operate his

(continued on page 8)

## New Ten Cent Store Building In Pahokee

After standing vacant for many, many years, the lot across the street from the Bank of Pahokee is to have a building put on it. H. C. Pence and Company recently bought the lot from George McLarty for \$10,000.00.

The Pence concern operates a store in a room next door to the B&B Store in Pahokee. The concern announces that a new \$20,000 modern building will be erected in which to carry on the 5x10 business now enjoyed in the old location.

## Ramie Plant Sold To Individual As State Loses Bid

TALLAHASSEE — Sale of a ramie plant and eight acres of land jutting into the state Belle Glade prison farm is disappointing to state officials.

Commissioner of Agriculture Nathan Mayo, directing head of the prison system, announced the sale at the meeting of Gov. Fuller Warren and the state cabinet Tuesday.

He was informed of the sale by the state prison superintendent who said he understood the purchaser is a man named Lott.

Mayo had confirmation of the sale during the afternoon in a telegram from William J. Warren, acting manager of Reconstruction Finance Co., Jacksonville office. Warren wired Mayo that RFC has sold the plant for \$75,000 of which \$20,000 was paid down.

The state offered \$15,000 for the property in June.

The telegram gave no further details. Mayo said, however, that the equipment or most of it could be used in production of feed, or in dehydrating vegetables.

RFC acquired the property through enforcement of terms of a loan to Florida Ramie Products Co., which did not make a success of the venture.

The eight-acre strip cuts into the prison property in the form of a slice of pie, between the railroad and highway at Belle Glade.

It is surrounded by the new prison building, the prison sugar mill other buildings and farm land.

When the state sold the plant site to Ramie Products it also sold 5,000 acres of land, 500 acres of it for cash. The 500 acres has passed into the ownership of RFC but the state recovered the 5,000 acres.

It is part of that recovered between Canal Point and Twenty Mile Bend, that the state plans to put into usable shape with dikes for Cooperative of Palm Beach county veterans.

## SUPPLY PASTOR

The Rev. Ralph Hughes of Belle Glade, guest minister, will deliver the sermon at the morning service of the Pahokee First Methodist Church Sunday, July 30. Special music will be sung by a woman's quartet composed of Mrs. R. M. Sanders, Mrs. Robert Walker, Mrs. Ruth V. Meredith and Miss Joyce Fields.

## Recreation Area For South Bay Plan Of Com. Rardin

Paul Rardin, vice chairman of the County Commission, Monday paved the way for procurement of additional land for park purposes in the Everglades when he won support of the board to dedicate county-owned property for a recreation area.

The property is located in South Bay, lots 15 and 16 in Block P, and on motion of Rardin, was dedicated for county park purposes. The vice chairman explained that the land had originally been dedicated to the county school board which later released the dedication and turned the land back to the county.

Mr. Rardin, in another action in connection with dedication of county owned lands, approved dedication of several lots in Lake Worth to the municipality for public purposes. The Lake Worth land will be used as an addition to the city's cemetery.

Another action which affects residents of Commission, Dist. 5 is slated to come before the commission next Monday when bids for construction of a park building at

(continued on page 8)

## Glades Livestock Market Sales

Grade for grade, compare our prices with Chicago and all other reports you receive. We sincerely assure you that it is money in your pocket to bring your cattle to Glades Livestock Market.	
Some added pens and a few improvements are in progress to provide for the unexpected number of cattle—and what pleases us most, the large number of ranchers who make use of their market.	

## World Federation Talk Before Rotes

Phil Blakeslee, West Palm Beach Attorney, gave a talk on "World Federation of Nations" at the Thursday luncheon meeting of the Pahokee Rotary Club last week. Introduced by P. P. deMoya, Mr. Blakeslee expressed the belief that a world federation is the only hope of peace and security for all the people of the world in an atomic age.

Robert O. Lampi, music director at Pahokee Schools, was welcomed as a new member. President C. L. Shirley presided.

## Defense Council Set Up In Pahokee Canal Point Area

A Civilian Defense Council for the Pahokee-Canal Point area was organized Tuesday night at an open meeting of citizens in the city hall with Mayor Lewis Friend presiding.

Mayor Friend introduced P. P. deMoya, head of the local defense organization in World War II, who pointed out the wisdom of organizing a civilian defense corps at once to meet any emergency that may arise in the future.

Also present at the meeting was Ralph Blank of West Palm Beach, secretary of the County Defense Council. Mr. Blank explained the nation's civilian defense setup and how the functioning of the various units, federal, state, county and community, will be integrated for efficient action wherever trouble may occur. The local defense council, working in cooperation with the American Red Cross, will serve as a disaster relief committee in case a hurricane strikes this area, he said.

The executive committee on the local council will be composed of Mayor Friend, City Councilmen Leo Wroten, A. J. Gamot, J. H. Wilkinson, Jr., R. B. Simonson and T. W. Cunningham, Police Chief Leon Guthrie, Sanitation Officer B. B. Justice and a representative from the Red Cross, yet to be named.

Mayor Friend appointed the following as heads of the various departments in the defense council: Rupert Mock, deputy director for operations; P. P. deMoya, deputy director of administration; C. A. Canipe, public relations; Frank O'Connell, liaison; Marvin Levins, fire protection; Leon Guthrie, police protection; John Sutterfield, communications; Curtis Chase, utility and public works; James W. Vann, housing; Ralph Johnson, legal; Dr. E. J. Graham, medical; Terry Sellers, transportation; Rev. Ralph W. Todd, ground observer corps; Paul Rardin, industrial regulation and plant protection; Frank Rozelle, civilian relief.

Each department head was asked to bring two assistants to the next meeting of the defense council which will be held in the city hall Tuesday, Aug. 1, at 8 p. m.

It costs the United States about \$2 million dollars a year to run the Coast Guard.

## Horace Scruggs Wins First Place In Talent Show

Garbed in patched overalls, topped with an old straw hat, carrying a hoe and a pipe as props, Horace Scruggs, with the make-up of a dorky, took the first place in a walk at Malcolm Millar's Talent Scout Show, at the Prince Theatre Tuesday. The capacity crowd almost gave the lad an ovation when he entered to perform his act. His exit was thunderous.

Second place went to a quartette under the billing of "The Harmony Four", composed of Skipper McCurdy, Bobby Schroeder, Chandler McIlwain and Millard Stanley. They made their exit with a great burst of applause ringing in their ears.

Ray Sullivan, billed as Cedric Cesspool, "tripped" his way down the aisle and onto the stage to delight the crowd with his country boy routine, with Malcolm Millar acting as his "straightman."

Gail Sasser, costumed as a Hawaiian dancing girl gave a lovely dance with acrobatics that brought unstinted applause from the costumers in appreciation of the artistry of this little lady.

On the talent John Ogle opened the show in a harmonica presentation that received a warm welcome. Vernie Burger, displayed a fine soprano voice in a song offering and was well received. Rita Hurt made the piano ring out in harmony with an offering of piano music that got a great hand.

Malcolm announced the Grand Finals to take place Tuesday, August 2nd. Special judges will judge the applause.

## Cleve's Station Is Getting Overhaul, Remodel, Paint Job

The Sinclair Service Station in Pahokee operated by Cleve Cruthird is getting a genuine overhauling and a new addition is being built on the rear, Mr. Cruthird said yesterday. The new addition is 10x44 and will be used to store extra tires, greases and other heavy articles sold at the station.

Workmen are this week completing the remodeling of the interior. New fluorescent lights will be installed throughout the remodeled station and a new office will be built. The floor in the old part of the station will be covered with rubber tile, Mr. Cruthird said.

The interior and exterior will be given a complete new coat of paint to add to the attractiveness of the popular station. Two new gas pumps were just recently installed.

Mr. Cruthird has just rounded out ten years as operator of the station and is well into his eleventh year. A. E. "Blick" Kirchman in Belle Glade owns the station property and is the manager of the Sinclair-Kirchman Company. Sinclair distributors in the Lake Okechobee Region.

## News Notes From State Capital

**TALLAHASSEE** — Following a brief hearing, Sheriff Walter R. Clark was suspended by Governor Warren. Clark had testified before the Kefauver senate crime that he was a partner in an operation which did \$754,000 in business in 1945 and 1948, and which paid income taxes on 100 slot machines. Clark did not make any statement before the governor, other than to admit his identity and to answer that he had testified before the senate committee. Warren's order of suspension is the second time that Clark has been removed, once before by Governor Holland. He was reinstated by the state senate. Warren will appoint a successor who will serve until the next meeting of the legislature.

**TALLAHASSEE** — War news got pushed aside here briefly as Wendell Barnes of Lake City, FSU student, turned up an 18,000-year-old mastadon jawbone. He was cleaning out parts of the Wakulla river, flowing from famed Wakulla Springs, when he uncovered a three-foot jawbone, dug deeper and found another and part of the teeth. Mastadons were common in this area 18,000 years ago, says

the state geological survey, but vanished because of enemies swamps or change in climate.

**TALLAHASSEE** — Attorney General Richard W. Ervin this week gave his opinion on the following general subjects:

**CONSTABLE** — Constable who happens to be riding with highway patrolman and assists in making arrest is not entitled to arrest fee.

**SPONGE** — Recent tidelands decision giving off-shore oil ownership to U. S. does not affect right of states to control sponges and fishing.

**AGED** — County cannot legally build old folks' home by mortgaging property, without public vote.

**JAIL** — Doubtful if city has authority to use cigarette tax money to build combined jail and city hall.

**TALLAHASSEE** — Nearby Jefferson county voted to remain dry after an election in which 701 citizens took dry side while 579 voted wet. The campaign to change to legal liquor selling consumed two weeks, without generating the usual bitterness.

**TALLAHASSEE** — Plans are starting for a new \$650,000 psychiatric ward for Florida State Hospital at Chattahoochee. No construction money will be released now, however, C. M. Gay, comptroller, said it may be the first of next year before funds are available. The ward would house those actually insane. Three fourths of the present hospital inmates are not insane, but are feeble-minded or aged and without means of support.

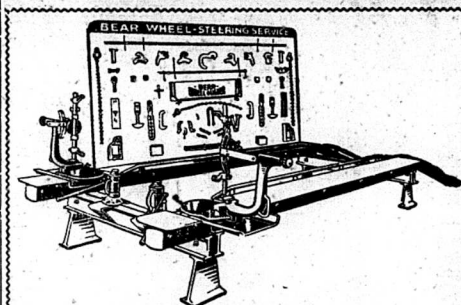

**TALLAHASSEE** — Inflation has started to nibble at state buying. State purchasing agent Dan D'Alben told the cabinet some meat purchases have increased 28 per cent, and he forecast drastic inflation unless the federal government stops it.

**TALLAHASSEE** — A hearing for the Dade County News Dealers Supply company on petition to get their telephones back will be heard in August by the Florida Railroad and Public Utilities Commission. The phones were taken out by Southern Bell after Attorney General Ervin notified it that they were being used in illegal bookmaking activities. The Florida supreme court refused to halt the removal and the railroad commission refused to set a hearing for the reinstatement until they had actually been pulled out.

## Sanitation Talk Is Heard By C. P. Lions

Robert W. Eddy of West Palm Beach, head of the sanitation department, Palm Beach County Board of Health, was guest speaker at the regular meeting of the Canal Point Lions Club Monday night.

Introduced by Rev. Earl J. Jones the speaker told of the countywide sanitation program being carried out by his department and commended the Canal Point Lions for their efforts to make garbage collection service available to all residents in the Canal Point area. Joseph C. Alvarez of West Palm

UNDER THE DIRECTION OF JACK TATUM,  
"BEAR" GRADUATE FRONT END, WHEEL AND ALINEMENT SPECIALIST.

Beach and Clyde A. Brown of Pahokee, who are also connected with the County Board of Health, were introduced as visitors.

Lon Adams reported that in the survey being made by the club practically all residents contacted expressed approval of the club's proposed plan for a local garbage collection service.

Leonard Quattlebaum received a certificate of membership to the club, with Grady Echols making the presentation. President Boyd Vorhees presided.

Eddie Jones, hustling manager of Clewiston Inn, has by no means given up on advancing a community project that seems to be Clewiston's one missing link in its chain of tourist attractions, i. e., a municipal pool. At present, nearest swimming spots are at Florida Conservation School, 8 miles west on U. S. 27, and the new Pahokee pool, 34 miles distant.

A grateful nation this week says, "Thanks and well done" to the U. S. Coast Guard on the occasion of its 150th Anniversary.

From where I sit ... by Joe Marsh

## Take Your Choice

Sitting around last Friday evening, the talk turned to the best way of getting to sleep when it seems you just can't. "The way I always do," says Andy Johnson, "is to breathe deep and make believe I weigh a ton."

"Just throw away the pillow—it works every time," says Buzz Ellis. When counting sheep came up, right away was the question: What kind of sheep?

From where I sit, you could argue 'til Doomsday and never get complete agreement on a lot of things. Now, take me, I'm all for

having a glass of beer or ale on occasion. Your "sociable beverage" may be a "Coke"—or buttermilk or maybe some of hot coffee.

But enjoying our preferences is a right in this country and each of us is entitled to his own. The important thing is to respect that right in the true Democratic spirit of understanding! As a matter of fact, what a tiresome old world this won't be if we all had the same likes and dislikes!

Joe Marsh

## So Big in Service...

## So Little in Cost

Tonight, stop and think how much the telephone meant to you today. You made a quick call to the druggist, instead of a hot, tiresome trip . . . you called the repair man about the refrigerator before all the food spoiled . . . you made a dozen other calls that saved you time, effort, money. Yes, at day's end you feel the difference . . . and you know that telephone service is one of your biggest helpers—one of your biggest bargains. Southern Bell Telephone and Telegraph Company.

## Cinematic Chatter

By Malcolm Miller

They tell this one around Hollywood. When Bing Crosby returned from his trip to Europe he learned that Bob Hope had started work in his newest picture, "The Lemon Drop Kid." Cracked Bing: "Any movie offering Bob Hope as a 'kid' must be a period picture." No comment from Hope. Here's another one: Oscar Levant, the pianist, was talking to Tallulah Bankhead. Tallulah smilingly asked: "I don't look 40, do I?" Piped Levant: "No, not any more!" Betsy Drake, who married Cary Grant was supposed to have promised nothing would interfere with her career. Still she hasn't made a picture since their marriage. She just jumps around Mexico with Cary. A regular jumping bean. It is stated however that Cary is to start work on a new picture right away. The same rumor had it that Betsy will also go before the cameras at once. It is definite that Ann Blyth is going to play Mrs. Caruso. The original Mrs. Caruso was statuesque and beautiful—quite a bit taller than Enrico. But Ann won't be taller than Marie Lanza, the movie Caruso. Eve Arden came from a little town in California named Mill Valley. She was a talent scout discovery from a high-school play. Her appearance on the screen is always the signal for laughs. Eve helps to augment the hilarious goings-on in the delightful comedy "The Lady Takes a Sailor", which stars Jane Wyman and Dennis Morgan and is due to be screened at the Prince Theatre, Sunday-Monday. See you at the movies—Mal.

Four Eastern Air Lines four-engine cargo planes, each capable of hauling 18,000 lbs., have been released to the government for transportation of military material, and with the planes went a companion offer of services of their crews.

According to John Dillin, publicity director of Marine Studios, Marineland, 2500 gallons of purified seawater are rushed through the oceanarium's tank each minute more than the city of Daytona Beach uses each day.

## Huffman - Collier

Miss Virginia Lee Huffman, daughter of Mr. and Mrs. H. L. Huffman of Pahokee, and Donald H. Collier, son of Mr. and Mrs. P. E. Collier, also of Pahokee, were married Wednesday, July 19, at 9 p. m. at the home of W. J. Larimore, Justice of peace, with Judge Larimore officiating.

The bride attended high school in North Carolina and is a graduate of the Palm Beach Junior College. Mr. Collier attended Pahokee High School and served in the U. S. Navy for three years.

Mr. and Mrs. Collier are making their home in Pahokee where he is employed by the Florida Power and Light Company.

## Keen Will Report On Chicago Meeting

Pahokee Lions at their Tuesday luncheon meeting welcomed home Manning I. Keen, Lions deputy district governor, who had just returned from Chicago where he attended the Lions International Convention as a delegate from the club. Mr. Keen announced he will give a complete report on the convention at the luncheon meeting next week.

Plans were made to erect a fence at the city park, with M. P. Stanley, boys work chairman, and members of his committee in charge of arrangements. Curtis Chase announced attendance to club meetings is 9 per cent above attendance during July of last year. President Thomas Baldwin presided.

No other country maintains an organization or service in any way like the Coast Guard.

## Bridal Shower For Barbara Jenkinson

Mrs. G. L. Sims and Mrs. M. D. Geiger entertained at Mrs. Sims' home on Thursday afternoon of this week with a miscellaneous bridal shower and party in compliment to Miss Barbara Jenkinson, bride-elect of Eugene McCall.

Contests were enjoyed and many lovely gifts were received by the honoree. The hostess used a color scheme of pink and green in decorations for the affair, and for refreshments served ice cream molded in the forms of pink and white love birds and individual cakes trimmed with pale green icing.

Invited guests included the Misses Margaret Powell, Barbara Wroten, Patsy Geiger, Gloria Henderson, Sibyle Jensen, Joyce McCall, Walta Nell Hull, Yvonne Weeks, Ruth Evans, Dellona Jones, Joy Padgett and Catherine, Barbara and Carolyn Barnes; also Mesdames John Hutton, Ray Hawk, Jr., Frank Gillis, J. L. McCall, Bobby Baker, Coleman Conly and M. C. Carter.

Florida Inland Navigation District has sent a delegation to Washington asking for deepening of Florida East Coast Canal south of Jacksonville, where now it is only eight feet, contrasted with the twelve-foot depth of the inland waterway from Jacksonville north.

Interstate Commerce Commission officials have recessed until August 8 hearings on plans for reorganization of the Florida East Coast Railway, in order to give more time to Atlantic Coast Line for preparation of their reorganization proposals.

## Equipment Rental Defended By Alfred McKethan, SRD Head

TALLAHASSEE—The practice of building highways with equipment rented on a noncompetitive basis was defended Tuesday by the State Road Department as a necessary means of carrying out its record construction program.

Board Chairman Alfred Mc-

Kethan denied there was any political patronage in the system and said it will be continued unless it is stopped by the courts. In a suit filed Monday by two former employees of the agency.

McKethan made his statement at a special news conference, attended by the whole road board, following an attack on the equipment rental policy by Robert O. Stotio and Arthur J. Sims, former secretary and assistant attorney for the board.

## Births

Mr. and Mrs. Richard Kreidler of Clewiston announce the birth of a son, Daniel Dean, at the Everglades Memorial Hospital, July 21. Mr. and Mrs. J. S. Harrington announce the birth of a son on Friday, July 21. He has been named John S. Harrington, Jr.

## Mullis - Cole

Mr. and Mrs. L. M. Mullis of Pahokee announce the engagement and approaching marriage of their daughter, Miss Mary Mullis, to Donald Cole, Fort Morgan, Colo., son of Mr. and Mrs. D. P. Cole of Denver, Colo.

Miss Mullis is a graduate of Pahokee High School, Class of 1946, and attended Bell-Hies Business College in West Palm Beach. She is now employed in the county clerk's office at Fort Morgan.

Mr. Cole graduated from the Evergreen, Colo., High School in 1946. He served for three years in the U. S. Army Transportation Corps and had reached the rank of staff sergeant at the time of his discharge. Following his discharge from the Army he attended the Airnow Brothers Radio School in Denver and is now employed as announcer at radio station KFTM in Fort Morgan.

Plans for the wedding, to take place in the near future, will be announced later.

## NEW MAP

The Pahokee City Council at a meeting Monday night authorized John T. Pickett, Sr., city engineer, to draw up a new large map of the city of Pahokee on a scale of one inch for 200 feet.

The new map will show individual buildings with their street numbers and will be the first step in the council's efforts to meet provisions necessary for getting fire insurance rates lowered within the city limits.

National Airlines is pleased with its Florida summer tourist promotional efforts, with a total of 19,551,400 passenger-miles traffic for June 1950, a gain of almost 36 percent over June 1949.

Mrs. Leon Burnett and sons are attending the Baptist summer camp near Ocala where Mrs. Burnett is serving as purchasing agent for the camp.

Mr. and Mrs. T. W. Knight and

children are spending the summer in West Palm Beach.

Mr. and Mrs. Duncan Padgett will leave Monday for a visit with their son and daughter-in-law, Mr. and Mrs. Donald Padgett, in Gainesville.

Mrs. James S. Wilson has returned to Tampa after a week's visit with her parents, Mr. and Mrs. R. W. Sanders, in Pahokee.

Mr. and Mrs. O. D. Carpenter and Mrs. Carpenter's mother, Mrs. C. A. Shive, plan to leave the first of the week for a visit with Mrs. Shive's brother-in-law and sister, Mr. and Mrs. Will Rabin, in Oklahoma and Mr. and Mrs. Carpenter's son-in-law and daughter, Mr. and Mrs. Vance Denton, in Fort Arthur, Texas. Carol Carpenter left earlier this week by plane for Fort Arthur.

Mr. and Mrs. Frank Musgrove had as their guests the past week her mother, Mrs. Christine Lightner of Tampa. Mr. and Mrs. Musgrove will leave on Aug. 1 for Ayon Park where Mr. Musgrove has been transferred by the B&S Stores management.

Mr. and Mrs. Woodruff Goocher have moved into the Rudolph Faulk residence which they have purchased.

W. H. Brevton is spending a few weeks with relatives in Georgia.

Mr. and Mrs. Lester Hand and daughter have returned from a two weeks' vacation spent at Fort Myers Beach and Albany, Ga.

Tommy McClenithan has returned to Sarasota after a three weeks' visit with his father, William McClenithan, and family in Pahokee.

Lee Jeffers, son of Mrs. Dennis Friend of Indiantown, returned home Monday from Florida State University, Tallahassee, where he is attending the summer session, to answer a call from the draft board. Lee took his physical examination on Thursday of this week.

Mr. and Mrs. J. A. Peacock have returned from Durham, N. C., where Mr. Peacock has been a patient in the Duke Hospital for the past three weeks.

Mr. and Mrs. Wiley Tillis were guests of her brother and sister-in-law, Mr. and Mrs. H. L. Jaudon, Wauchula Sunday. They were accompanied home by Mrs. Jaudon and small daughter, Vera June. On Tuesday Mrs. Tillis and Mrs. Jaudon visited friends in Lake Worth.

Mr. and Mrs. Dow Echols and family are spending two weeks visiting her parents, Mr. and Mrs. C. C. Hudson, in Roanoke, Ala.

Mr. and Mrs. Charles A. Baker of Jacksonville are visiting relatives here this weekend. They will be accompanied home by their small daughter, Linda Carol, who has spent the past two weeks visiting her grandparents, Mr. and Mrs. B. W. Wood, in Pahokee and Mr. and Mrs. William Baker, in Canal Point.

Miss Jeanne Shaughnessy is spending a vacation of several weeks on a tour of the European countries.

Mr. and Mrs. William Howard and daughter, Judith Lloyd, are expected to return home within the next few days from Kentucky where Mr. Howard has been at tend summer school at the University of Kentucky.

Mr. and Mrs. R. J. Schroder and son, Bobby, are leaving today for a two weeks' visit with relatives in Orlando, Atlanta and West Point, Miss. They will also spend a few days at Lake Junaluska, N. C. Enroute Bobby will stop off at Columbia, S. C., for two weeks of training in the National Guard at Fort Jackson.

Mr. and Mrs. Lester Duncan and son, Harkness, spent several days on the Florida Keys this week fishing.

## Christian Science Society

### CHURCH OF CHRIST SCIENTIST

"LOVE" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist throughout the world on Sunday July 30.

The Golden Text is: "Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God" (I John 4:7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And we have known and believed the love that God hath to us. God is love dwelleth in God, and God in him" (I John 4:16).

The Lesson-Sermon also includes

the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Not materially but spiritually we know Him as divine Mind, as Life, Truth, and Love. We shall obey and adore in proportion as we apprehend the divine nature and love Him understandingly, waring no more over the corporeality, but rejoicing in the affluence of our God. . . . The Christian Science God is universal, eternal divine Love, which changeth not and causeth no evil, disease, nor death" (140:7-12, 25-27).

For those desiring transportation to the school, call 3253 before the date for classes to begin.

## Miss Laverne Geiger New Rainbow Member

Degrees of the Order of Rainbow were conferred on Miss Laverne Geiger and Miss Faith Brown at a meeting of the Pahokee Assembly in the Masonic Hall Monday night. Miss Clara Baxter, worthy advisor and her staff of officers were in charge of the degree work.

Miss Rita Fay Hurt was appointed in charge of plans for a square dance which is to be sponsored by the Rainbow Girls in the near future. Members planning to attend the Grand Assembly in Fort Lauderdale were asked to contact Mrs. Wade Ammons, mother advisor, for reservations.

At the close of the meeting refreshments were served by Mrs. Ammons and daughter, Shirley Ann, to 27 persons.

Fumice-stope is volcanic rock formed deep in the earth. It is thrown to the surface by volcanic eruption.

## Pot Luck Supper By Legion Members

A Pot Luck Supper and Fellowship was enjoyed Monday night by members of the Canal Point American Legion Post 242 and Auxiliary, their wives, husbands and guests. The Legion Home was decorated in a red, white, and blue motif with flags displayed in the center. The veteran-made poppy and fern was used as table decorations.

Guests for the evening were Patsy Maxson, Girl's State Representative; Frank Rosenberg, Boy's State Representative and Mr. and Mrs. Harold Rosenberg. These two young people who were chosen on numerous merits of outstanding abilities gave interesting accounts of experiences and activities which they participated in while in Tallahassee.

Post Commander Melvin Pugh

told members of a new membership drive plan and urged all to be present at the next meeting. Mrs. Roy Pope, President of the Auxiliary closed the supper meeting with a discussion on "Attendance and Importance of work for Veterans."

## ATTEND ASSOCIATION

Among those who attended the Palm-Lake Association meeting of the Baptist Woman's Missionary Union and auxiliaries held recently at the First Baptist Church in West Palm Beach were Mrs. L. W. Mullis, Mrs. H. C. Graham, Mrs. Thomas Baldwin, Mrs. L. M. Mullis, Mrs. Ralph Grimes, Miss Elizabeth Caraway, Mrs. C. R. Wroten, the Misses Patsy Batchelor, Shirley Watson, Stella Sue Barnes, Laurie Ann Rockwell, Norma Jean Andrews, Wanda Fay Adams, Wilma Waggoner, Carol Ann Mullis, Mary Arthur Kirk, Lynette Hammond and Mary Frances Tilman.

## Come to Church

The churches of the Everglades extend a warm welcome to every person to attend church on Sunday. You'll get a deep satisfaction out of attending the church of your choice. You'll personally enjoy the wonderful messages of faith which are in store for you during this good year ahead. Today, make a resolution that one hour out of the week's 168 will be devoted to church services. Can you do less? Watch the columns of The Everglades News for church announcements weekly. The Lake Region is blessed with a group of fine churches. Your attendance will make the work of these churches more successful.

## Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

Paul Rardin, Canal Point, vice chairman of the county commission, will direct activities of the county board during August.

Rardin began his official duties as head of the board Tuesday. He will be acting chairman during the absence of Chairman Lake Lyta, who left this week for a vacation trip to Wisconsin and Minnesota.

A bid of \$1,500 a year for use of a section of International Airport as a race track for stock cars, was turned down by the County Commission Monday.

Action for the denial was led by Dist. 1 Commissioner Kenneth Foster who said that in view of the present war conditions such a project didn't appear feasible. He also pointed out that a race track for stock cars is now being constructed west of the city on State Road 80. His viewpoint was shared by the entire board, who turned down the request for land which was submitted by L. H. Brannon, ass't. county solicitor.

Brannon, in a letter to the commission, asked for a plot, 600 by 600 feet on the east end of the field, an area which is already hard surfaced. He said it was planned to hold stock car races on the area every week. Brannon asked for a 10-year lease.

Palm Beach County's share of the state's intangible property tax took a \$1,000 jump this year.

R. B. McKee, ass't. County Auditor reported Monday that he had received a check from the state for \$30,350—about \$1,000 more than last year.

Approved dedication of an additional five-acres of land to the State Road Department for use as a work camp, to be constructed in Palm Beach Farms area by the State Road Dept.

Approved leases at International Airport for Radiation Research Corp. and Lithographic Press.

Made plans to open bids for purchase of radio equipment for the

sheriff's department on Aug. 14.

Other action by the commission this week included: Acceptance of an 8 mill tax levy from the Central and South Florida Flood Control Board and a 2.5 mill levy from the Lake Worth Inlet District.

Approved a bond of M. H. Duncan as a deputy sheriff.

Heard a report from county engineer J. M. Boyd that five road projects are expected to be let by the State Road Department in August. The projects include Bolles Canal Road, Lantana West Road; Boca Raton West Road; Lakeland West Road; extension of Okeechobee Road and paving of the 45th St. extension in West Palm Beach.

The engineer also reported that \$79,128 had been committed for right-of-way purposes in the county \$3.6 million road and bridge program and that an additional \$25,000 would be spent to complete right-of-way acquisition. These totals, the engineer said, are considerably less than the amount budgeted for such work.

Transfer of prisoners to the new county jail is expected to get underway about September 15 with demolition of the old cell-block set to start as soon as possible after the move is made.

This report was made to the County Commission Monday by County Engineer J. M. Boyd who received authorization to call for bids for such supplies as are necessary to get the new jail in operation.

Boyd said it would take about two weeks to transfer prisoners and equipment to the new structure. Just as soon as the move is completed, demolition of the old wing will be carried out and construction of a new wing will get underway.

Boyd said among supplies needed will be bedding, cooking utensils and office equipment.

county law library \$7,125; indebtedness \$735; special road and bridge funds include No. 8 \$5,642; No. 11 \$119,690; No. 20 \$11,296.

Budget increases this year included additional funds for medical treatment of indigent patients welfare work, additional county equipment, tuberculosis control voting machines, a new radio equipment for the sheriff's department.

### Raulerson - Cherry

The wedding of Miss Nadine Marie Raulerson of Pahokee and Joseph R. Cherry, Jr., of Belle Glade will take place at the First Methodist Church in Pahokee Sunday, Aug. 6, at 4 p. m. Officiating at the double ring ceremony will be Rev. Hoke Shirley, pastor of the First Baptist Church, assisted by Rev. Ralph W. Todd, pastor of the First Methodist Church.

Miss Raulerson has chosen as her attendants Miss Christine Unwin, of Pahokee, maid of honor; Miss Yvonne Weeks of Canal Point and Miss Clara Stein of Belle Glade, cousin of the bridegroom, bridesmaids. Flower girls will be Glendice Raulerson, cousin of the bride, and Helen Cherry, sister of the bridegroom.

Mr. Cherry's best man will be his cousin, Fritz Stein, Jr., of Belle Glade. Chester Comerford and Elmer Kirchman of Belle Glade will act as ushers.

No formal invitations are being issued but all friends of the couple are invited to attend the wedding and the reception which is to follow the ceremony at the home of the bride's parents, Mr. and Mrs. Ray B. Raulerson, on Canal Point Road.

The Fourth Estate is a term which refers to members of the Press.

## POLIO PRECAUTIONS

RECOMMENDED BY THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS

WHEN POLIO IS AROUND, the National Foundation for Infantile Paralysis recommends these simple precautions: Keep children with their own friends and away from people they have not been with right along. Don't become exhausted through work or hard play. Don't stay too long in cold water or sit around in wet clothes. And always wash hands before eating. Watch for feverishness, sore throat, headache, upset stomach or sore muscles. They may—or may not—mean polio. Call your doctor and then, if help is needed contact the National Foundation Office in your area.

### Personal Items

Mr. and Mrs. H. T. Williams and family have returned to their home after a month at Fort Myers Beach.

Anderson/Chastain is confined to his home with a serious ailment. Miss Betty Spear of Athens, Ga. spent the past week end in Pahokee with her parents, Mr. and Mrs. H. L. Spear.

Miss Yvonne Lee Fraser, a student at the University of Florida, spent the past week end with her parents, Mr. and Mrs. Luke Fraser in Pahokee.

Mrs. Morris Adams is visiting her sister in Glenwood, Ga. Mrs. J. W. Brown returned to her home in Macon, Ga., Friday after spending two weeks in Canal Point with her sister, Mrs. Lester Duncan and Mr. Duncan.

Mr. and Mrs. Luke Fraser, Mrs. Alma Farrow and Miss Lucille Williams have returned to their Pahokee homes after a business trip to Cincinnati, Chicago and other northern points.

Mrs. J. P. Parker and son, Buddy, of Canal Point, will return to their home Sunday after a visit with relatives in Alexandria, Va.

Mr. and Mrs. Dwight Brock, an employee of the Stamps-Baxter Music and Publishing Company of Chattanooga, Tenn., spent a few days at the home of Mr. and Mrs. Osceola Upthegrove in Canal Point this week.

Mr. and Mrs. Joe Thompson and family have returned from their month's vacation spent in Palm Beach.

Mrs. Carl Thompson and family and Mrs. Warren Chard and family of West Palm Beach were guests of relatives in Pahokee Sunday.

The Misses Myra and Verlon Jones and Yvonne Thompson, who have been taking swimming lessons at Mayflower pool in Palm Beach, each won first prizes in their age group.

Mrs. J. C. Tabb is ill at her home this week.

Mr. and Mrs. Clarence Maxwell, and son Dale, returned from a West Florida visit on Monday of this week.

Miss Brenda Sue Thompson is the guest of her uncle and aunt,

Mr. and Mrs. Joe Thompson.

Mr. and Mrs. Paul Jordan, formerly of Pahokee where Mr. Jordan operated a jewelry store, recently moved into their home in Lake Wales and soon thereafter Mrs. Jordan slipped on the new floor and broke her hip. She is recuperating nicely.

Misses Joann and Jean Platt of Pahokee will return this weekend from Ft. Lauderdale where they have been visiting their aunts at the Beach.

Capt. and Mrs. H. R. deFuniak are spending a few days with her mother, Mrs. Ora Powell in Pahokee. Capt. deFuniak recently was graduated from the army language school at Monterey, Calif. He will be assigned to duty in Europe within the next few weeks.

Miss Margaret Powell, a student at the University of Florida this summer, is home to visit her mother, Mrs. Ora Powell.

### Will Make Study Of "Ocean Pastures"

MIAMI — Dr. F. G. Walton Smith, head of the Marine Laboratory at University of Miami, has been named director of National Geographic Society's intensive research-study of "ocean pastures", the little-known meadows of microscopic fodder on which all sea life depends for existence. Associated with Dr. Smith in his year-round studies will be Dr. Hilary B. Moore, oceanographer at the Laboratory, and their excursions into the deep will be aboard the University's research ship, "Megalopa", which will ply the waters between South Florida and the Bahamas for seining as deep as 400 fathoms, to bring these minute organisms, scientifically labeled "planktons," from ocean bottom to microscope.

From these studies, new light will be shed on behavior of the Gulf Stream as well as on marine biology, and data important to commercial fishing will be revealed for these planktons are literally the life of the fish. Particular attention will be paid the apparently whimsical migrations of planktons for their change of locale is the immediate forerunner of a similar move by the dependent fishes.

## Women Marine Corps To Accept Recruits

JACKSONVILLE—Women Marine Corps veterans in 16 different occupational fields will be accepted for extended active duty, according to Capt. J. J. Reardon, State Marine Corps recruiting officer.

To be eligible, applicants must have had a minimum of 90 days active duty with the Marine Corps or Marine Corps Reserve, or must have attended 36 drills or 30 drills and 10 days active duty with an organized reserve platoon, he said.

"Application should be made to the nearest Marine Corps recruiting station," he continued, "and those accepted will be transferred to Camp LeJune, N. C."

Reardon said that the occupational fields in which women veterans may be accepted are: personnel and administration, printing and reproduction, fire control instrument repair, operational communications, supply administration and procurement, disbursing, motor transport, machine accounting, post exchange, public information, photography, training aids, special services, air control and aviation operations and intelligence.

"Applications are also requested from women officers of the ranks of captain and first lieutenant," he said, "and should be forwarded to the Commandant of the Marine Corps, Marine Corps Headquarters, Washington, D. C."

### CARD OF THANKS

I wish to express my deep appreciation for the many kindnesses shown me during my recent illness. I am grateful for the cards, love letters and the prayers offered for me. I especially want to acknowledge the kindness of the ministers, doctors, nurses and all those who sat with me during my stay at the hospital.

T. W. Jenkins.

### Recreation Area —

(continued from page 1)  
Canal Point are scheduled to be opened.

The board this week, recessed Monday's meeting until July 31 when bids on the Glades building will be opened. Mr. Rardin, who will preside at the session next Monday, said that an effort will be made to complete the park building just as quickly as possible.

St. Petersburg's plan to modernize its city-owned radio station WSUN temporarily, at least, is stymied, with no bidders showing up on the municipal proposal of a \$250,000 revenue issue to renovate and eventually televise facilities. An offer by Thos. Pierce, of St. Petersburg, to negotiate for private financing, is held for future study.

The world's first five money-winning race horses—Stymie, Citation, Armed, Assault and Whirlaway—all raced at Hialeah.
